

HCI

2 9

MIRO Board

XR- Project - Iteration 3. — three features.

Can we do min

^  (bring
back) + merge
with Reality
like.

• HCI

• update - Self design Computing

• XR Project (for Tuesday)

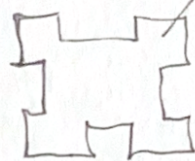

Laundry

• pictures in drive or
somewhere for Sydney.

• getting sent back

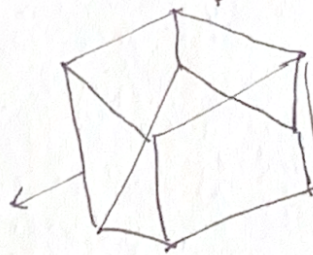

Ben's Evaluation.

Some
things
you need to
assemble

this is → you give the
frame of the structure
a font

The
wireframe
of the

the whole
concept
aligns with
Ben's idea
and ask and.

the project core
idea -

⑩

Assembly and disassembly

for validation

no validation

Scope of the project needs to be
cut down. over :)
